

Text Next to Images

Each map below is an Image with a TextBlock next to it. The drawOn method of both returns the bottom of what it drew, so every row starts below the taller of the two.

The European Union

A map of Europe with the member states of the European Union and the countries that were candidates to join it when the map was made. The image is a PNG file of 687 by 710 pixels, drawn 200 points wide.

The Regions of Spain

A map of the 17 autonomous communities of Spain and its two autonomous cities, Ceuta and Melilla, with their capitals. The image is a JPEG file of 2,017 by 2,412 pixels, drawn 200 points wide, which prints at more than 700 dots per inch.
